**Our Stylists & Therapists** have the vision, talent and skills to keep you looking and feeling great !!! With years of combined experience, our staff are trained to provide you the latest in hair trends, hair loss, acne treatment, eye-brow threading, waxing, Heena, bridal make up, hair cut and hair styles. Whether you're getting a precision cut, a custom colour, arching your eyebrows, or any other services we offer, our goal is to provide 100% satisfaction to the customer.

## Our Speciality Ayurvedic Face Treatment

Our therapists will recommend Ayurvedic herbal face treatments according to your particular skin type to cleanse invigorate and enhance your beauty. Our treatment uses products that contain only natural ingredients. Based on your constitution your treatment may include – Deep cleansing, exfoliation, extractions, treatment mask, massage.
